P2 Equipment Photographs and Drawings
Competitive Initiative

Created May 5, 1997

Equipment Vendors

The equipment described in the Pollution Prevention (P2) Equipment Book were procured under previously established contracts. The information presented is not intended as an endorsement of any single vendor's product. Vendors listed under Preproduction Initiative-NELP were selected for one-time prototype studies to determine the ability of a "type of equipment" to meet the Navy's P2 needs. Vendors listed under a competitive initiative won competitive procurement contracts to supply their make/model of equipment to the Navy. Subsequent contracts will be recompeteted and may or may not result in the selection of the same vendor.

Health and Safety

This document contains information about pollution prevention technologies. Some of the equipment described can be hazardous if not installed and used properly. Before purchasing this equipment, it is strongly recommended that you consult your local Health & Safety Office and Environmental Office to determine equipment compatibility with your intended application and local safety and environmental restrictions.

Table of Contents

Competitive Initiative:

55-Gallon Drum Crusher <1> <2>
Aerosol Can Puncturer
Aqueous Parts Washer (Large) <1> <2>
Aqueous Parts Washer (Small)
Aviation Fuel Recycler
Cardboard Shredder
Fluorescent Tube Disposer
Fuel Recycler
Glovebox Plastic Media Blaster
Glycol Recycler, (Batch) 100 Gallons
Halon 1301 Recycling Unit
Hazardous Material Storage Locker
High-Volume, Low-Pressure Paint Spray Gun
High-Pressure Water Jet System
Horizontal Baler
Hydraulic Purifier
Impulse Parts Washer
Infrared Camera Leak Detector
Metals Precrusher
Oil Filter Crusher
Paint Gun Washer
Particle Counter
Plastic Media Blast Booth
Plural Component Paint System
Powder Paint Spray System
Power Parts Washer
Rinse Water Evaporator
Shredder/Chipper Unit
Solid Waste Recycling Trailer
Solid Waste Roll-Off Unit
Solid Waste Sorting Line
Solvent Distillation Unit
Tabletop X-Ray Developer
Tub Grinder (Diesel)
Tub Grinder (Electric)
Tub Grinder (Heavy-Duty) <1> <2>
Vacuum Pump Truck
Vaccum Pump Truck/Cleaner

Ram Flat Compactor Model 559C
S&G Enterprises, Inc.

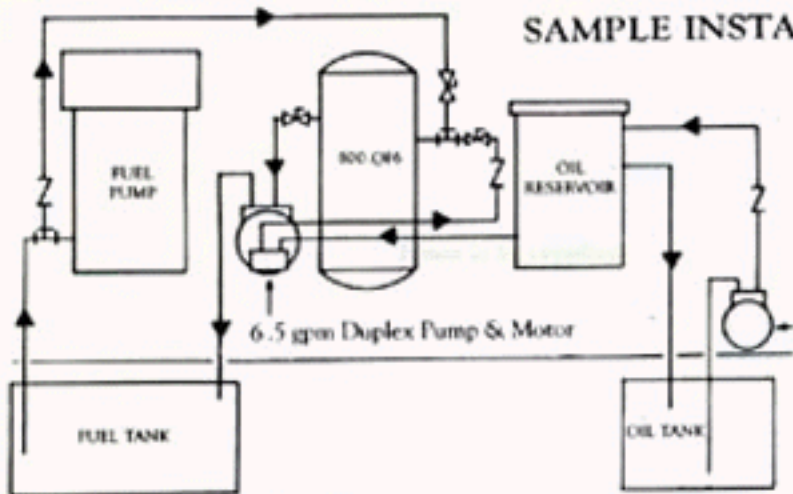

SAMPLE INSTALLATION

Oil Transfer Pump is customer supplied. Pump specifications depend upon application, lift, carry, and discharge.
